What about the SOHP (its projects, mission, or history) makes you want to intern with us?

Which of the organizational work listed in the internship packet sounds interesting to you? What do you think you will learn through work? What skills and experience do you bring to the table that would be beneficial to SOHP? We also cater to experience. What skills do you have that might be beneficial to the SOHP as a whole? (Photo and video editing, writing skills, performance etc.)
